FOLDER	PRODUCT NAME	PRODUCT DESCRIPTION	FTP ZIP FILE NAME
Aerial Imagery			
	Aerial Photography, 1933	Scanned 1933 Aerial Photography - rectified, black and white, TIF Format - Six areas: North West, Central West, North Central, Central, East to Yosemite St, and South to Yale Ave.	Aerial1933-Scanned
	Aerial Photography, 2004	2004 Imagery - Entire city (excludes DIA) 1/2 foot pixel, TIF format, color.	2004_one_half_foot
	Aerial Photography, 2006	2006 Imagery - Entire city (includes DIA) 1 foot pixel, Mr SID format, color.	2006_one_foot
	Aerial Photography, 2008	2008 Imagery - Entire city (includes DIA) 1/2 foot pixel, SID format - Super Tiles, color.	2008_one_half_foot
Aerial Imagery Index			
	Aerial Photo Index, 1933	Used to find scanned 1933 aerial photography	aerial_index_1933_imagery
	Aerial Photo Index, 2000	Used to find 1/2 and 1 foot aerial 2000 images	aerial_index_2000_imagery
	Aerial Photo Index, 2002	Used to find 1 foot aerial 2002 images	aerial_index_2002_imagery
	Aerial Photo Index, 2004	Used to find 1/2 foot aerial 2004 images	aerial_index_2004_imagery
	Aerial Photo Index, 2006	Used to find 1 foot aerial 2006 images	aerial_index_2006_imagery
Assessment			
	Assessment Index	Used to locate Assessment maps	assessment_index
	Building Outlines 2008	Polygonal feature collection of all permanent structures and buildings greater than 100 square feet in size captured and classified photogrammetrically in the City and County of Denver and with a 1/4 mile buffer.	building_outlines_2008
	City-Owned Parcels	Used to locate City and County of Denver owned parcels.	city_owned_parcel
	Parcel Block Numbers	Assessment parcel block numbers as opposed to Public Works (engineer's) block numbers. Digits six and seven of the Assessor's schedule number.	parcel_block_numbers
	Parcel Dimension Leaders	Assessment Parcel Dimension leader lines.	parcel_dimension_leaders
	Parcel Dimensions	Assessment parcel dimensions.	parcel_dimensions
	Parcel Tie Lines	Lines visually connecting Lots within the Assessment parcels.	parcel_tie_lines
	Parcels	Property boundaries with address, schedule number, land area and many other attributes.	parcels
Census			
	Census Boundaries by Block (2000)	U.S. Census Bureau's Census block boundaries with attributes; adjusted to relevant Denver data layers.	census_denver_block_demographics_2000
	Census Boundaries by Block Group (2000)	U.S. Census Bureau's Census block group boundaries with attributes; adjusted to relevant Denver data layers.	census_denver_block_group_demographics_2000
	Census Boundaries by Neighborhood (2000)	U.S. Census Bureau's Census by neighborhood boundaries with attributes; adjusted to relevant Denver data layers.	census_denver_neighborhood_demographics_2000
	Census Boundaries by Tract (2000)	U.S. Census Bureau's Census tract boundaries with attributes; adjusted to relevant Denver data layers.	census_denver_tract_demographics_2000
Community Planning			
	Blueprint Denver - Areas of Change	redevelopment ('Areas Of Change') are planned within the City and County of Denver, as identified in the plan "Blueprint Denver, An Integrated Land Use and Transportation Plan."	areas_of_change

Digital GIS Data and Maps (Downloadable / No Charge)

FOLDER	PRODUCT NAME	PRODUCT DESCRIPTION	FTP ZIP FILE NAME
	Blueprint Denver - Concept Land Use	Represents generalized land use categorizations within the City and County of Denver, as identified in the plan "Blueprint Denver, An Integrated Land Use and Transportation Plan."	concept_land_use
	Council Districts	City Council Boundaries.	council_districts_2007
	Existing Land Use - 2010	Represents existing land use by parcel. It generalizes the Assessor's tax classifications of parcels into caterogries specific to planning.	existing_land_use_2010
	Historic Landmark Districts	These district boundaries identify properties that have historically significant designation, entitling them to special tax credits.	historic_landmark_districts
	Historic Landmark Structures	Identification of landmark structures established by city ordinance as approved by city council. Ordinance information is contained in the feature attributes.	historic_landmark_structures
	Library	Denver Public Library locations.	library
	Neighborhoods	Statistical Neighborhood boundaries - typically combinations of census tracts.	neighborhoods
	Zip code Boundaries 2005	U.S. Postal Service Zip Code Areas within the City and County of Denver.	zipcode_boundaries_2005
	Zoning	Zoning boundaries for the City and County of Denver, Colorado.	zoning
Cultural			
	Public Art Locations	Mapping locations of Public Art in the collection of the City and County of Denver.	public_art_locations
Economic			
	Denver Enterprise Zones	Enterprise Zone areas in the City and County of Denver.	denver_enterprise_zones
	Historic Underutilized Businesses	Colorado 2000 Census Tracts that qualify for the federal Historically Underutilized Business (HUB) Zone program.	historic_underutilized_businesses
	HUD Income Levels by Block Group	U.S. Housing and Urban Development (HUD) Income Levels by Neighborhood.	hud_income_levels_by_block_group
	HUD Income Levels by Neighborhood	U.S. Housing and Urban Development (HUD) Income Levels by Neighborhood.	hud_income_levels_by_neighborhood
	HUD Income Levels by Tract	U.S. Housing and Urban Development (HUD) Income Levels by Tract.	hud_income_levels_by_tract
	HUD Low to Moderate Income by Block Group	Census Block Groups where more than 51% of the population is low to moderate income level as defined by the U.S. Housing and Urban Development (HUD).	hud_low_to_moderate_income_blk_group
	Income Restricted Housing Units 2006	Income-Restricted Housing Units 2006.	income_restricted_housing_units_2006
	Mortgage Assistance Program	Metro Mortgage Assistance program areas.	mortgage_assistance_program
	Neighborhood Business Revitalization	Neighborhood Business Revitalization (NBR) corridors in the City and County of Denver.	neighborhood_business_revitalization
	Neighborhood Marketplace Initiative Districts	Neighborhood business district target areas for the Denver Neighborhood Marketplace Initiative (NMI).	neighborhood_marketplace_initiative_districts
	New Markets Tax Credit	2000 Colorado Census Tracts that are eligible for the New Markets Tax Credit (NMTC).	new_markets_tax_credit
	Points of Interest	City and County of Denver Points of interest.	points_of_interest
	Revolving Load Fund	Revolving Loan Fund (RLF) target areas in the City and County of Denver.	revolving_load_fund

Digital GIS Data and Maps (Downloadable / No Charge)

FOLDER	PRODUCT NAME	PRODUCT DESCRIPTION	FTP ZIP FILE NAME
	Workforce Centers and Resource Office Locations	Denver Division of Workforce Development Workforce Centers and Resource Office locations.	workforce_centers_and_resource_office_locations
Education			
	After School Programs	Denver afterschool program locations.	afterschool_programs
Election			
	Election Precincts	The City and County of Denver's current election precinct boundaries.	election_precincts
	State House Districts - current	The City and County of Denver's State House of Representatives District boundaries. In effect until the 2012 presidential election.	state_house_districts_current
	State Senate Districts - current	The City and County of Denver's State Senate boundaries. In effect until the 2012 presidential election.	state_senate_districts_current
	State House Districts - pending	The City and County of Denver's State House of Representatives District boundaries - pending.	state_house_districts_pending
	State Senate Districts - pending	The City and County of Denver's State Senate boundaries - pending.	state_senate_districts_Pending
Engineering			
	Address Points	Active addresses found in the Denver Address Database. These may or may not be mailable addresses.	address_points
	Annexations	Annexations by the City and County of Denver from 1864 to the present.	annexations_1864_to_present
	Base Map - Platted lots and blocks	A polygonal representation of subdivided lot boundaries located within the City and County of Denver.	base_map_platted_subdivision_lots
	City and County Boundary	Political boundary - A polygonal representation of the City and County of Denver's jurisdictional boundary.	city_county_boundary
	City and County Boundary Compilation Status	A linear representation of the City and County of Denver's jurisdictional boundary and the STATUS of how each section of the boundary was compiled.	city_county_boundary_compilation_status
	Construction Engineering Inspection Districts	Construction Engineering Inspection Districts.	construction_engineering_inspection_districts
	Coordinates on Land Corners	Ellipsoidal and state plane coordinates on land corners in the City of Denver.	coordinates_on_land_corners
	FEMA Flood Zones Break lines	Food hazard zone boundaries (break lines) - Denver County.	flood_hazard_zone_boundary_breaklines_linear
	FEMA Floodplains	FEMA digital insurance rate map (DFIRM) flood hazard zone areas - Denver County.	fema_flood_hazard_zones_floodplain_areas
	FEMA Flood Insurance Rate Map (FIRM) Panel Index	Flood Insurance Rate Map (FIRM) Panel Index - Denver County.	fema_flood_insurance_rate_map_panel_index
	FEMA Floodplain Cross Section	Cross sections through floodplain - County Denver.	fema_floodplain_cross_section
	FEMA General Structures Along Floodway	General structure locations along floodway - Denver County.	fema_general_structures_along_floodway
	FEMA Letters of Map Revision (LOMR)	FEMA Letters of Map Revision (LOMR) -Denver County.	fema_letters_of_map_revision
	Flow Dimension Lines 2002	Flowline Dimensions (as line features utilizing the attribute TEXT or LABEL displayed as a text string).	flow_dimension_lines_2002
	Flow Lines 2002	Flow Lines (street surface water runoff) within the City and County of Denver.	flowlines_2002

Digital GIS Data and Maps (Downloadable / No Charge)

FOLDER	PRODUCT NAME	PRODUCT DESCRIPTION	FTP ZIP FILE NAME
	Impervious Surfaces 2004	Impervious surface areas (areas which do not absorb water) derived from the 2004 color aerial imagery.	impervious_surfaces_2004
	Mask Surrounding Denver 2000	Mask surrounding City & County of Denver boundary for the year 2000.	mask_surrounding_denver_2000
	Public Works Block Numbers	Public Works (engineer's) Block Numbers formatted as label able lines.	public_works_block_numbers
	Quarter Section Index Map	Quarter Section Index Map.	quarter_section_index_map
	Range Points	Range points are offsets to right-of-way lines, and are typically located below surface streets.	range_points
	Range Lines	Arcs defining range lines that are ultimately used to determine locations of lots and blocks within subdivisions.	rangelines
	Right of Way	Right-of-Way (General) displays the general extent of rights-of-way for the City and County of Denver.	right_of_way_general
	ROW Dimensions	Right-of-Way (ROW) dimensions within the City and County of Denver.	row_dimensions
	Subdivisions	Subdivision boundaries located within the City and County of Denver.	subdivisions
	Township Range Section Index	Survey control reference grid with annotation	township_range_section_index
	TRS Index Address Ranges	TRS Index Address Ranges - street and hundred block annotation converted to lines for labeling.	trs_index_address_ranges
	TRS Index Labels Detail	Township Range Section annotation converted to lines for labeling	trs_index_labels_detail
	TRS Index Labels General	Township Range Section index layer annotation generalized and converted to lines for labeling .	trs_index_labels_general
	Wastewater Plat Index	Used to locate wastewater sanitary and storm sewer maps	wastewater_plat_index
Environmental			
	Historic Landfills	Approximate locations of historic landfills in and around the City and County of Denver	historic_landfills
	HIV Health Providers	Funded HIV health providers in Denver County as well as a few sites that are located outside of the county boundary of Denver.	hiv_health_providers
Excise and License			
	Businesses with Liquor Licenses	Point layer represents every address where at least one liquor license has been issued in the City and County of Denver.	businesses_with_liquor_licenses
Natural Features			
	Contour 2 FT 2000	Elevation contours at 2 foot intervals, created from elevation points and break lines from imagery captured in April, 2000. Excludes DIA.	contour2ft_2000
	Contour 2 FT 2004	Elevation contours at 2 foot intervals, created from elevation points and break lines from imagery captured in March 2004. Excludes DIA.	contour2ft_2004
	Lakes and Ponds	Lakes and ponds within the City and County of Denver 2009.	lakes_and_ponds
	Storm Drainage Basins	Storm Major Basins.	storm_drainage_basins
	Streams	Streams, creeks, and gulches included in the Storm Network 2009.	streams
Parks			

Digital GIS Data and Maps (Downloadable / No Charge)

FOLDER	PRODUCT NAME	PRODUCT DESCRIPTION	FTP ZIP FILE NAME
	Golf Courses	A point layer of golf course locations with attribution within the City and County of Denver.	golfcourses
	Parks	Parks, Open Space, Maintained Areas, and Golf Course boundaries for the Denver Parks and Recreation Department.	parks
	Parkways	The Designated Parkway boundaries for the Denver Parks and Recreation Department.	parkways
	Recreation Centers	The Recreation and Senior Center locations for the Denver Parks and Recreation Department.	recreation_centers
	Tree Canopy 2006 Baseline	Tree canopy delineations, captured from QuickBird 2 foot pixel satellite imagery, using automated feature extraction from the near infra-red band. To establish a baseline tree canopy percentage for Denver, and identify neighborhoods in need of more trees. November 2006.	treecanopy_2006_baseline
Safety			
	Fire Districts	Denver Fire Districts locations and boundaries.	fire_districts
	Fire Stations	Denver Fire Station locations	fire_stations
	Police Districts	Denver Police Districts locations and boundaries.	police_districts
	Police Precincts	Denver Police Precinct locations and boundaries.	police_precincts
	Police Stations	Denver Police Station locations	police_stations
Street Maintenance			
	Sidewalk Condition Assessment 2001 to 2003	Street right-of-way inventory and condition assessment 2001-2003. Data collected on sidewalks includes location, size, and surface type.	sidewalk_condition_assessment_2001to2003
TCG Projects			
	2012 TCG Block Beautification Projects	2012 TCG Block Beautification Projects for the City and County of Denver for the title year.	block_beautification_projects_2012
	2012 TCG Bridge Construction Repair Projects	2012 TCG Bridge Construction Repair Projects for the City and County of Denver for the title year.	bridge_culverts_tunnels_retainingwalls_projects_2012
